The Complete Solution

Step 1: Register with your email address.

First, click **LOGIN**

Next, click **REGISTER AND CHECKOUT**

Enter all the required information to setup your login and create a password that's easy to remember.

Step 2 (optional): Enter your shipping information so it's saved for all future orders - saving you time at checkout.

This area is also where you can:

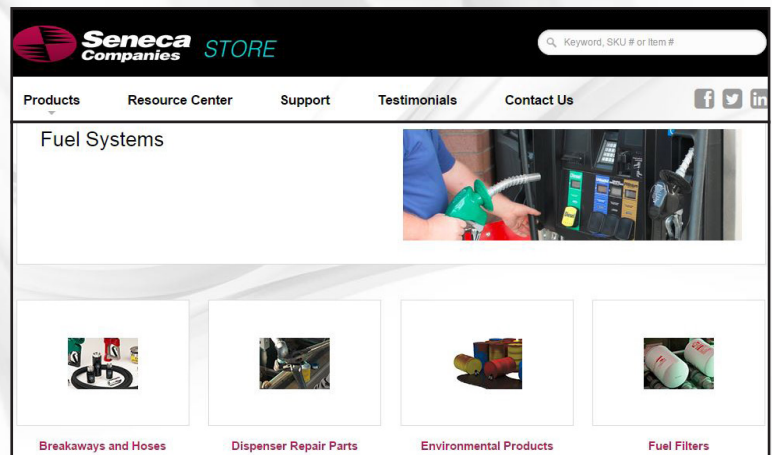

- Update your account information - i.e. change password.
- View your order history with tracking information.
- Access favorites you have selected.
- View your popular items to help place more timely orders of items you frequently order.

Step 3: Start shopping! You can either use the search functionality, Parts by Dispenser lists or the Product menu to locate items by categories.

Step 4: Place your items in the Cart, review your order and proceed to the Checkout.

Step 5: Validate Shipping and Billing Addresses, select Shipping Method* and select Payment Type (either Bill to Account or Credit Card.) If Bill to Account is selected, you must have a current account on file.

*Orders \$400+ qualify for Free Standard Shipping - some exclusions apply
