

*The Complete Solution*

# PIPELINE & TERMINAL SERVICES

**PROVIDING YOU WITH A  
PROMPT, ENVIRONMENTALLY  
SAFE WASTE REMOVAL  
SOLUTION, WHILE  
MINIMIZING DISRUPTION TO  
YOUR BUSINESS.**

## EQUIPPED AND READY

Seneca Waste Solutions is equipped to handle an array of waste situations for the pipeline and terminal industries – from scheduled industrial cleanings and unscheduled shut downs, to 24-hour emergency spill response and waste transportation disposal.

## OUR CAPABILITIES INCLUDE:

- OQ certified staff, IS Network participant, NCMS compliant, Avetta member and BROWZ member.
- Supplied breathing air and confined space rescue trained.
- 24-hour emergency spill response and cleanup services.
- Waste transportation and disposal services.
- 500 to 6000 CFM wet / dry vacuum truck services.
- Tank, piping and vessel cleaning.
- Turnaround cleaning.
- Dry ice blasting.
- Hydro excavation / potholing services.
- Line maintenance support services.
- 4,000 to 40,000 psi hydroblasting and line jetting services.

Seneca Companies' reliable technicians consist of DOT certified hazardous materials drivers and operators, 40-hour HAZWOPER trained personnel, 10-hour OSHA trained personnel and confined space entry certified personnel. We can help you protect your business and the environment by containing, controlling, transporting and / or recovering most materials.
