Seneca Companies, Inc. and Chargepoint working together to provide a total EV charging solution

(Des Moines, Iowa – May 28, 2019) – Seneca Companies is proud to announce that it has partnered with ChargePoint as a Signature Partner. Seneca will represent ChargePoint's entire product line and provide product support throughout the Seneca footprint.

This strategic partnership allows Seneca to integrate ChargePoint into the product offering, giving our customers a full turn-key solution for EV Charging in addition to the traditional fueling market solutions Seneca is known for across the Midwest, Southern and Mountain regions of the United States.

"We are very excited to be partnering with ChargePoint. We continually strive to offer the complete solution to our customers, and with this partnership, we are now able to offer EV fueling needs to both the consumer and commercial markets," said JC Risewick, president and COO of Seneca Companies.
