### **Seneca Companies names new Denver Branch Manager**

(DES MOINES, IA – April 29, 2024) – Seneca Companies, known as an established leader in the petroleum industry from project design and planning to maintenance, service, parts distribution and compliance, is pleased to announce Braden Lysne as its new Denver Branch Manager.

“I feel extremely excited and grateful for this opportunity, which is partially due to the people that have helped me along the way in developing the knowledge required to get here. I cannot thank them enough! Being at this branch as a project manager for the last 6 years has allowed me to establish and build relationships not only with our staff but with our wonderful and growing customer base. I look forward to continuing to nurture and grow those relationships and provide solutions however we can,” said Lysne.

In his new role, Lysne will oversee the day-to-day operations of the Denver, Colorado branch and find new and exciting ways to continue our commitment of providing comprehensive solutions to our customers.

“I could not be prouder of Braden and what he’s accomplished thus far at Seneca. I have no doubt with his dedication and work ethic he will have great success in his new role,” said Mike Worthington, Regional Vice President – Southern Region.
