Seneca Companies names new Regional Vice President – Southern Region

(DES MOINES, IA – April 29, 2024) – Seneca Companies, known as an established leader in the petroleum industry from project design and planning to maintenance, service, parts distribution and compliance, is pleased to announce Mike Worthington as Regional Vice President – Southern Region.

“I’m very grateful to the leadership team at Seneca for providing me with this opportunity to lead our Southern operations team. With our current dedicated staff and the abundance of opportunity in the marketplace, I look forward to helping Seneca and our partners expand our footprint in the South,” said Worthington.

Mike has been with Seneca for over thirty years, spending most of his tenure stationed at the Des Moines headquarters location. He then transitioned to a Denver branch manager role after previously holding a general contracting management role. In his new role, Mike will grow and nurture new client relationships across all avenues of service that Seneca can provide while helping expand the southern footprint, in addition to supporting the Tulsa and Oklahoma City branch locations.
