Seneca Companies joins forces with Dover Fueling Solutions® as the newest distributor of Wayne® products

(DES MOINES, IA – June 17, 2024) – Seneca Companies, known as an established leader in the petroleum industry from project design and planning to maintenance, service, parts distribution and compliance, is pleased to announce a new distributor partnership with Dover Fueling Solutions® (“DFS”), as a Wayne® products provider. The new partnership will support Seneca Companies’ nationwide brand growth and strengthen its ability to support customers by providing them with access to DFS’ industry-leading Wayne fueling equipment as they expand to additional states.

“Partnering with Dover Fueling Solutions is a significant step in the next chapter of Seneca Companies,” said JC Risewick, President and CEO, Seneca Companies. “DFS is highly innovative and customer focused, which makes our two companies a perfect fit. This collaboration opens a new chapter for both our companies and will have a positive impact on the broader industry.”

DFS is a part of [Dover Corporation](#) and a leading global provider of advanced customer-focused technologies, services and solutions in the fuel and convenience retail industries. Through this partnership, Seneca Companies will grow its brand impact and enhance customer support and DFS will have access to Seneca Companies’ distribution network to reach a broader customer base. This will result in the industry having improved access to innovative fueling solutions and enhanced support.
